

NATHAN HALL

PROFESSIONAL SUMMARY

I am a twenty-one-year-old, third year undergraduate student who is very keen to gain practical work experience to support my current studies and future career aspirations in television and film. I have produced course and independent work consisting of both short films and adverts. This work includes both filming and post-production utilising relevant digital technologies. I have submitted some of my work to various film festivals, with successful outcomes. (See Additional Information section).
